Docking Stand

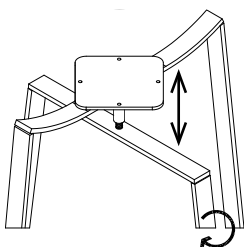

Feather Spa

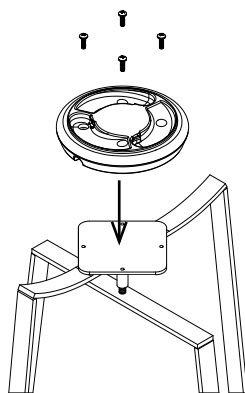

Birdbath Dish

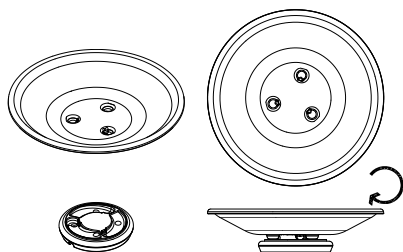

Step 1: Squeeze the inner and outer portions of the Iron Pier together and rotate the stand to lock your setup in place.

Step 2: Align the dock station onto the Iron Pier and connect it with the supplied screws.

Step 3: Align the Feather Spa onto the dock station and rotate it clockwise to lock it in place.

Step 4: (Optional) Place the sticky pads on the bottom corners of the Iron Pier to prevent the metal from scratching.
